

350 ATTEND KAPPA SIGMA CONCLAVE

The fiftieth year of Kappa Sigma fraternity was celebrated yesterday by more than 350 members at the conclave held at the Hotel Washington. Eighty-five colleges and universities were represented at the conclave and two of the original founders, were present. Dr. John Covert Boyd, medical director in the navy, of this city, and William G. McCormick, of Baltimore.

Major Royal G. Jenks, chairman of the local chapter, made the address of welcome, which was responded to by John Randolph Neal, of the University of Tennessee. Wilbur F. Denious, of Denver, worthy grand master, presided.

The fraternity traveled by special train today to the University of Virginia, where the society was founded, and a memorial tablet marking the place will be unveiled. A service flag with more than 6,000 stars will be unfurled.

The conclave will terminate tomorrow night at a banquet at the Washington Hotel, when it is expected former Secretary of the Treasury McAdoo will speak.

WORLD-WIDE DRY CAMPAIGN PLANNED

The whole world will be made as dry as the United States if plans now being formulated by the Anti-Saloon League at the conclave between the Anti-Saloon League of America and the various State organizations in a local hotel are carried through.

Prohibition campaigns in Mexico, Central America, South America, Great Britain, Asia, Australia, New Zealand, and every country on the globe are being arranged, and laws as drastic as those binding this country will be framed.

The league's plans include opposition in every clime to the election of government officials who are not dry advocates.

Strict and absolute adherence to wartime prohibition measures will be urged by the campaign, and in order to block action by the wets the league will go into every Congressional, judicial, municipal, and all political candidate to see that no wet candidate is elected.

POLICE MEMORIAL FUND NOW \$6,000

The police memorial fund is nearing the \$6,000 mark, according to Major Pullman today. It is expected that before long enough will be subscribed by business men and other citizens of Washington to start the erection of the honor tablets in the police precincts.

The campaign was started in March, 1918, just after Lieut. David J. Dunigan and Private John A. Conrad, of the Police Department, were shot and killed by James Copeland, colored.

Many of the people of Washington and near by Virginia and Maryland have subscribed. The first subscription was made by G. Buchholz, proprietor of the Occidental Hotel. The tablets will bear the names of District policemen who gave their lives in the line of duty.

Those wishing to give to the fund may write or telephone Clarence Norment, president of the Bank of Washington, who is treasurer of the fund.

Comfort for the Stay-at-Homes

Our attendants will give you a Bath that will do you as much good as a week at the seashore. They administer the kind that is beneficial—not the kind that makes you feel as though you had been run through a clothes wringer.
